

What's the point of corporations?

Ethical One Stop Shop - SALE NOW ON!

Yes it's all up for grabs as the corporations gather for the conference of the century - entitled:

"WHAT'S THE POINT OF CORPORATE RESPONSIBILITY?"

(sponsored by Ethical Corporation magazine - minimum entrance £295 + VAT)

They say in their conference literature that they will be discussing: "Why should chief executives take corporate responsibility seriously?" "Is corporate responsibility simply another management fad?" and "How smart companies are using CR for commercial objectives."

we say

"Corporate Responsibility? You're Having A F*ing Laugh!"**
